goPeer

Quick overview

- **Amount:** \$5.000 - \$250.000
- **Term:** 5 - 20 years

The screenshot shows the goPeer website interface. At the top, there is a navigation bar with links for Borrow, Invest, Resources, About us, Login, and a language selector for Français du Canada. The main heading reads "Get a personal loan, funded by fellow Canadians." Below this, three key features are highlighted: "Rates from 8% APR", "Borrow up to \$35,000", and "Low Payments". A pre-qualification step is shown with a progress bar: 1. Amount, 2. Purpose, 3. Qualify. The "Amount" step is active, with a question "How much would you like to borrow?" and a slider set to \$17,250. A "CONTINUE" button is visible. A disclaimer states "Your information is private and secure, investors will not see your name or personal information." A chat bubble in the bottom right corner says "Hi. Need any help?".

A representative example

\$9,400 unsecured personal loan at an APR of 18.8%, with a 5-year

term and bi-weekly payments of \$104.80 is \$4,794.49.
