- **Term:** 1 - 5 years

The screenshot shows the LendingMate website interface. At the top, there is a navigation bar with links for 'About Us', 'FAQ', 'Contact', 'Guarantors', and an 'Apply' button. The main content area features a large white box with the heading 'Fast, Flexible & Straightforward' and a sub-heading 'I would like to borrow \$10,000 over 36 months.' Below this, there is a loan calculator with a slider for the amount (set to \$10,000) and a dropdown for the term (set to 36 months). The calculator displays two scenarios: '\$10,000 over 24 months, repaying \$628.01 per month, total repayable \$15,072.24.' and 'Interest Rate 43% per annum. Representative Example: \$10,000 over 36 months (secured by guarantee) repaying \$498.66 per month, total repayable \$17,951.76.' To the right of the calculator is a list of features: 'Borrow Up To \$10,000', 'Guarantor Loans, No Credit Checks', 'Bad Credit OK', 'Fast Loan Approval', and 'Lender Not A Broker'. Below these features is a 'Trustpilot' rating of 4.5 stars and an 'APPLY NOW' button. At the bottom of the page, there are three green circular icons with statistics: '95% OF BORROWERS ARE APPROVED', '1000s OF LOANS FUNDED EACH YEAR', and '1 IN 2 CANADIANS ARE SUITABLE GUARANTORS'. Below these icons, a text line reads 'We currently lend in Ontario and British Columbia'.
